Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Senate Public Records Office by the response date noted above. Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 2 items:

1. Schedule A of your report indicates that one or more corporations acted as a conduit for contributions earmarked to your committee. Corporations are prohibited from making contributions to a candidate for federal office, unless made from a separate segregated fund established by the corporation. Any entity that is prohibited from making contributions in connection with a federal election may not act as a conduit for contributions earmarked to candidates or their authorized committees. (11 CFR § 110.6(b)(2)(i))

If any apparently prohibited contribution in question was incompletely or incorrectly reported, you must amend your original report with the clarifying information.

If you have received prohibited contributions, you must make a refund. The refund must be made within thirty (30) days of the treasurer becoming aware of the illegality of the contribution. (11 CFR § 103.3(b)(1) and (2))

Please inform the Commission of your corrective action immediately in writing and provide a photocopy of any refund checks. Refunds must be reported on a Schedule B supporting Line 20(a) of the report covering the period in which the refund is made. (11 CFR § 104.8(d)(4))
